Sir,

As the Government grant to the Koppa Medical Grant expires in August 8 as Government in one of its letters issued instructions that any further request for a continuance of the grant should be sent in by June, I shall feel oblige by your forwarding a request for a renual of the grant for 2 years if possible. As the Koppa Medical Fund has for 2 years been divided into Koppa and Sollebile Medical Funds, which are entirely distinct from one another it would be a convenience if Rs.100/- were paid by the Koppa Treasury to each Fund Separately .

Our medical officer is very satisfactory and for the last week has been attending a case of life and death one of our neighbours, who is still dangerously ill.

This is the only medical aid between here and Chickmaglur, 60 miles. The Koppa Hospital Assistant being quite unable to attend the numerous Estates.

I am in receipt of your letter dated June 7th General No.3175.

I have the honor to inform you that I forwarded your letter No.287 dated 27-4-1915 to the Secretary Mr. Hight of the Sollebyle Medical Fund and requested him to forward me a statement of the accounts. At present I have received no reply.

I would suggest that it would simplify matters greatly, if the Koppa and Sollebile Medical Funds, were paid separately. These two branches are now quite distinct, each having its own doctor and Secretary.

I shall feel much obliged if you will be kind enough to represent this matter to the authorities.
